

TOWN OF DANE
OPEN ROAD CUT POLICY
ORDINANCE # 2015-7-6

Conduit, pipe, cable should be covered with appropriate material.

Caution tape should be placed a foot or more above the conduit, pipe or cable.

Clear stone should be added to a minimum one foot from top of road grade.

¾ gravel should be added to a minimum 4" of road grade and be compacted

The excavation should be finished with a minimum 4" of Hot Mix Blacktop and rolled.

At no time will excavation material be permitted to be used unless ok'ed by Town Chairman or Town Supervisors.

All costs to be bore by the contractor or their affiliates.

PASSED UNANAMOUSLY JULY 6, 2015
